

**Chapter-13&14**

The Subsidy Programmes

## CHAPTER 13.1.

### THE MANNER OF EXECUTION OF SUBSIDY PROGRAMMES

#### CDP Scheme No.1

1.	Name of the Programme	Onfarm training to new Sericulturists (5 days)
2.	Duration of the programme / scheme	2005-06
3.	Objective of the programme	To help the new farmers to take up sericulture on scientific lines and equip them with essential basic tools.
4.	Physical and Financial targets of the programme	<u>Physical</u> : 500 Farmers <u>Financial</u> : CST+State = Total Per bene. 750 - 750/- Total Rs.3.75 Lakhs=Rs.3.75 la.
5.	Eligibility of Beneficiary	Farmers who planted high yielding mulberry during 2005-06.
6.	Pre-requisites for the benefit	i) The identified beneficiary must have minimum 1 acre mulberry garden.
7.	Criteria for deciding eligibility.	ii) He should rear Bivoltine crops. iii) The Beneficiary should undergo training at Govt. Sericulture Training Institute, Hosur.

## **CDP Scheme No.2**

1.	Name of the Programme	Assistance for installation of drip irrigation systems
2.	Duration of the programme / scheme	2005-06
3.	Objective of the programme	To assist mulberry farmers in conserving water resources which are scarce in most parts of the country
4.	Physical and Financial targets of the programme	<u>Physical</u> : 400 acres <u>Financial</u> : CSB+State =Total Per acre: 11,700+1,300=13,000 Total(Rs.Lac):49.68+5.52=55.20
5.	Eligibility of Beneficiary	Farmers who planted mulberry and have an assured source of water and power connection.
6.	Pre-requisites for the benefit	i) Drip systems should instal by the Govt. approved firms
7.	Criteria for deciding eligibility	ii) Farmer should bear the beneficiaries share as his own. iii) Subsidy will be given for maximum 1 hectare garden.

### **CDP Scheme No.3**

1.	Name of the Programme	Assistance for construction of separate rearing house.
2.	Duration of the programme / scheme	2005-06
3.	Objective of the programme	To assist the farmers to acquire separate rearing houses, which contributes to improvement in quality & productivity of cocoons.
4.	Physical and Financial targets of the programme	<u>Physical</u> : 325 farmers <u>Financial</u> : CSB+State = Total Per farmer: 12500+12500 =25000 Total(Rs.La)40.625+40.625=81.25
5.	Eligibility of Beneficiary	Farmers who have own mulberry garden in minimum 1 acre, site/land for construction of rearing house & willing to take up Bivoltine Crops.
6.	Pre-requisites for the benefit	i) Farmers should have construct separate rearing house with minimum 700 sq.ft. enable to rear 150 dfls/crop. ii) Farmer should construct the rearing house with his own investment/by availing Bank loan.
7.	Criteria for deciding eligibility	

#### **CDP Scheme No.4**

1.	Name of the Programme	Assistance for procurement of rearing equipments.
2.	Duration of the programme / scheme	2005-06
3.	Objective of the programme	To assist the farmers in purchasing modern tools and equipments which make mulberry cultivations rearing more efficient and convenient.
4.	Physical and Financial targets of the programme	<u>Physical:</u> 325 farmers <u>Financial:</u> CSB + State = Total per farmer: 5000+5000= 10000 Total (Rs. La):16.25+16.25=32.50
5.	Eligibility of Beneficiary	Farmers who have sufficient experience in silkworm rearing and are willing to take up Bivoltine Crops.
6.	Pre-requisites for the benefit	i) Farmer should have minimum 1 acre mulberry garden.
7.	Criteria for deciding eligibility	ii) Farmer should bear 50% cost i.e.Rs. 10000/- as his own investment

### **CDP Scheme No.5**

1.	Name of the Programme	Assistance for establishment of chawkie Rearing Centres.
2.	Duration of the programme / scheme	2005-06
3.	Objective of the programme	To ensure the success of cocoon crops through professional & scientific management of young-age silkworm rearing (Chawkie)
4.	Physical and Financial targets of the programme	<u>Physical</u> : 2 centres <u>Financial</u> : CSB + State = Total Per bene. 1.50 +1.50 = 3.00 Total (Rs.La): 3.00+3.00 = 6.00
5.	Eligibility of Beneficiary	Member of a Sericulture quality club/NGO/SHG, in a sericulture cluster area, of minimum 100 acres.
6.	Pre-requisites for the benefit	i) The beneficiary should have minimum 2 acre mulberry.
7.	Criteria for deciding eligibility	ii) Should have sufficient experience in chawkie rearing iii) Should have sufficient building space of 1200 sq.ft. and infrastructure facilities such as equipments etc.

### **CDP Scheme No.6**

1.	Name of the Programme	Distribution of Quality disinfectants at subsidised cost.
2.	Duration of the programme / scheme	2005-06
3.	Objective of the programme	To encourage farmers to use quality disinfectants and prevent crop losses due to diseases
4.	Physical and Financial targets of the programme	<u>Physical:</u> 1200 farmers <u>Financial:</u> CSB + State = Total Per farmer: 717.50+717.50=1435/- Total (Rs.Lac):8.61.8.61 = 17.22
5.	Eligibility of Beneficiary	All Sericulturists Disinfectants will lbe supplied at 50% cost
6.	Pre-requisites for the benefit	i) Assistance will be paid for maximum 750 Dfls/farmers/year (or) Maximum subsidy eligibility Rs. 1435/- per farmer.
7.	Criteria for deciding eligibility	ii) Priority to seed rearers/ Bivoltine farmers.

### **PART-II Scheme No.1**

1.	Name of the Programme	Incentive for planting high yielding mulberry varieties.
2.	Duration of the programme / scheme	2005-06
3.	Objective of the programme	To encourage for planting high yielding Mulberry varieties for more leaf yield.
4.	Physical and Financial targets of the programme	<u>Physical:</u> 1500 farmers <u>Financial:</u> CSB + State = Total Per acre: 500+500=1000/- Total (Rs.Lac):7.50+7.50 = 15.00
5.	Eligibility of Beneficiary	All new farmers who have own land with sufficient water resources.
6.	Pre-requisites for the benefit	High yielding mulberry varieties such as V1, 'S' series .... etc., has to be planted.
7.	Criteria for deciding eligibility	

**PART-II Scheme No.2**

1.	Name of the Programme	Training to farmers to take up Bivoltine silkworm crops.
2.	Duration of the programme / scheme	2005-06
3.	Objective of the programme	To help the farmers to take up Bivoltine Silkworm rearing.
4.	Physical and Financial targets of the programme	<u>Physical:</u> 100 farmers <u>Financial:</u> (State funds) Per farmer: Rs.800/- Total : Rs.80,000/-
5.	Eligibility of Beneficiary	New farmers who planted ahigh yiedling mulberry varieties.
6.	Pre-requisites for the benefit	(i) Farmer should have planted mulberry in minimum 1 acre.
7.	Criteria for deciding eligibility	(ii) Farmer have to take up Bivoltine rearing.

### W.G.D.P. Scheme No.1

1.	Name of the Programme	Mulberry saplings subsidy
2.	Duration of the programme / scheme	2005-06
3.	Objective of the programme	Assisting farmers for planting mulberry.
4.	Physical and Financial targets of the programme	<u>Physical:</u> 100 Acres 400 farmers <u>Financial:</u> State + CSB = Total Per farmer: 605+605=1210/- Total (Rs.Lac):2.42+2.42 = 4.84
5.	Eligibility of Beneficiary	All new farmers who have own land with sufficient water resources.
6.	Pre-requisites for the benefit	High yielding mulberry varieties such as V1, 'S' series .... etc., has to be planted.
7.	Criteria for deciding eligibility	

### W.G.D.P. Scheme No.2

1.	Name of the Programme	Assistance for construction of rearing houses.
2.	Duration of the programme / scheme	2005-06
3.	Objective of the programme	To assist farmers to construct separate rearing house, which contributes enhanced quality and productivity of cocoons.
4.	Physical and Financial targets of the programme	<u>Physical:</u> 125 Farmers <u>Financial:</u> State + CSB = Total Per bene.: 5000+5000=10,000/- Total (Rs.Lac):6.25+6.25 = 12.50
5.	Eligibility of Beneficiary	Farmers who have own mulberry garden in minimum 1 acre, site/land for construction of rearing house & willing to take up Bivoltine Crops.
6.	Pre-requisites for the benefit	i) Farmers should have construct separate rearing house with minimum 700 sq.ft. enable to rear 150 dfls/crop.
7.	Criteria for deciding eligibility	ii) Farmer should construct the rearing house with his own investment/by availing Bank loan.

### W.G.D.P. Scheme No.3

1.	Name of the Programme	Assistance for procurement of rearing equipments.
2.	Duration of the programme / scheme	2005-06
3.	Objective of the programme	To assist the farmers in purchasing improved rearing equipments which make silkworm rearing more efficient.
4.	Physical and Financial targets of the programme	<u>Physical:</u> 125 Farmers <u>Financial:</u> State + CSB = Total Per bene.: 2500+2500=5,000/- Total (Rs.Lac):3.125+3.125 = 6.25
5.	Eligibility of Beneficiary	Farmers who have sufficient experience in silkworm rearing and are willing to take up Bivoltine Crops.
6.	Pre-requisites for the benefit	i) Farmer should have minimum 1 acre mulberry garden.
7.	Criteria for deciding eligibility	ii) Farmer should bear 50% cost i.e.Rs. 10000/- as his own investment

**H.A.D.P. Scheme No.1**

(Nilgiris District)

1.	Name of the Programme	Mulberry saplings subsidy
2.	Duration of the programme / scheme	2005-06
3.	Objective of the programme	Assisting farmers for planting mulberry.
4.	Physical and Financial targets of the programme	<u>Physical:</u> 15 Acres / 60 farmers  <u>Financial:</u> State + CSB = Total Per farmer: 605+605 = 1210/- Total (Rs.Lac):0.363 + 0.363 = 0.726
5.	Eligibility of Beneficiary	All new farmers who have own land with sufficient water resources.
6.	Pre-requisites for the benefit	High yielding mulberry varieties such as V1, 'S' series .... etc., has to be planted.
7.	Criteria for deciding eligibility	

## H.A.D.P. Scheme No.2

(Nilgiris District)

1.	Name of the Programme	Assistance for construction of separate rearing houses.
2.	Duration of the programme / scheme	2005-06
3.	Objective of the programme	To assist farmers to construct separate rearing house, which contributes enhanced quality and productivity of cocoons.
4.	Physical and Financial targets of the programme	<u>Physical:</u> 25 Farmers <u>Financial:</u> State + CSB = Total Per farmer: 5000+5000 = 10000/- Total (Rs.Lac):1.25 + 1.25 = 2.50
5.	Eligibility of Beneficiary	Farmers who have own mulberry garden in minimum 1 acre, site/land for construction of rearing house & willing to take up Bivoltine Crops.
6.	Pre-requisites for the benefit	i) Farmers should have construct separate rearing house with minimum 700 sq.ft. enable to rear 150 dfls/crop.
7.	Criteria for deciding eligibility	ii) Farmer should construct the rearing house with his own investment/by availing Bank loan.

### **H.A.D.P. Scheme No.3**

(Nilgiris District)

1.	Name of the Programme	Assistance for procurement of improved rearing equipments.
2.	Duration of the programme / scheme	2005-06
3.	Objective of the programme	To assist the farmers in purchasing improved rearing equipments which make silkworm rearing more efficient.
4.	Physical and Financial targets of the programme	<u>Physical:</u> 25 Farmers <u>Financial:</u> State + CSB = Total Per farmer: 2500+2500 = 5000/- Total (Rs.Lac):0.625 + 0.625 = 1.250
5.	Eligibility of Beneficiary	Farmers who have sufficient experience in silkworm rearing and are willing to take up Bivoltine Crops.
6.	Pre-requisites for the benefit	i) Farmer should have minimum 1 acre mulberry garden.
7.	Criteria for deciding eligibility	ii) Farmer should bear 50% cost i.e.Rs. 10000/- as his own investment

(Common for all schemes)  
2005-06

Procedure to avail the benefits of the programme	The field level extension staff and incharge of the TSCs will indentify the beneficiary and applications will be recommended to the Asst. Directors concerned for scrutinisation and sanction. On physical verification by Asst. Directors, Regl. Joint Directors, Regl. Deputy Directors, the scheme benefits will be given to the farmer.
Details of the benefits given in the programme	Mentioned in the schemewise description above.
